

## Final Bulletin

### XLVII International Symposium on Multiparticle Dynamics (ISMD2017)

September 11-15, 2017, Tlaxcala City, Mexico

Dear ISMD-2017 participants.

We are pleased to welcome you to the ISMD-2017 in Tlaxcala, Mexico. For event details and updated information please refer to our conference website

<https://indico.nucleares.unam.mx/e/ismd2017>

Please find hereby a few pointers to help you enjoy your visit:

#### 1. Venue

For participants arriving to Mexico City's international airport the organization will provide two buses to go to Tlaxcala City. The first bus will depart at 14:00 hrs. and the second one at 20:00 hrs. Please notice that these times have been shifted from the original times (13:00 and 19:00) given the arrival time distribution of international participants. Buses will depart from the bus bay in terminal 1. Staff members will wait for international participants arriving to either terminal 1 or 2 to direct them to the bus bay. Staff members will wear a black polo shirt with the acronym ISMD in the front and the word STAFF in the back. They will stand next to a person size ISMD poster.

For those not taking the conference buses, the easiest way to reach Tlaxcala City from Mexico City's international airport is to take a taxi to the east bus station (TAPO). From there you can take a bus to Tlaxcala City. The only bus line providing a direct service to Tlaxcala City is ATAH. From the bus station in Tlaxcala City take a taxi either to "Hotel Posada San Francisco" or to "Hotel de la Loma", depending on where you have a reservation. Schedule, prices and duration of the ride can be checked in

<http://www.autobusesmexico.com/autobus/mexico-df-tlaxcala>

#### 2. Registration

Registration will be opened in the main hotel (Hotel Posada San Francisco) on Sunday 10 from 16:00 to 20:00 hrs. and on Monday 11 in the conference site starting from 8:30. Participants that have not yet paid their registration fee and students that do not have financial support provided by the conference are kindly reminded to do so (cash only). The fees are:

Professors: US\$500.00

Students and postdocs: US\$350.00

Companions: US\$250.00

#### 3. Agenda

The conference will take place on the FES-Zaragoza-UNAM campus III:

<http://www.zaragoza.unam.mx/campusiitlaxcala/>

Participants will be taken by bus from the main hotel (Hotel Posada San Francisco) to the conference site. Please notice that in order to make it on time for the opening ceremony, on Monday 11, buses will depart at 7:55. From Tuesday on, buses will depart at 8:25.

For the updated agenda, please see the conference website:

<https://indico.nucleares.unam.mx/event/1180/timetable/#20170911>

A printed version of the agenda will be provided in your package.

Speakers are kindly asked to upload their talks to our webpage in pdf format no later than 24 hours before your talk. In case you cannot upload your talk, please send it in pdf format by email to

[ismd2017@nucleares.unam.mx](mailto:ismd2017@nucleares.unam.mx)

#### 4. Welcome reception

A welcome cocktail is planned on Monday 10, at 20:00 in the main hotel (Hotel Posada San Francisco). This will take place during the poster session.
