# XIII Mexican School of Particles and Fields

## Thursday 09 October 2008

### Hadronic Physics - Room 3: Perla (17:00-18:00)

| time  | title   | presenter        |
|-------|---|------------------|
| 17:00 | Quark flavor mixing and mass matrices                                     | GUPTA, Virendra  |
| 17:30 | Finite width effects in decay constants of vector and axial-vector mesons | CALDERON, German |
