# XIII Mexican School of Particles and Fields

## Thursday 09 October 2008

**Non-Perturbative QFT - Room 4: Arrecife (16:20-18:00)**

***Non Perturbative Methods in QFT***

time	title	presenter
16:20	Non-perturbative QCD modeling and meson physics	TANDY, Peter
17:10	Baryons from quarks in color gauge space of constant positive curvature and deconfinement	KIRCHBACH, Mariana
