

2018 University of Sonora School of High Energy Physics and XVIII Mexican School of Particles and Fields

**22/27
OCTOBER
2018**

División de Partículas y Campos
de la Sociedad Mexicana de Física

Designed for graduate students and
young postdocs

Physics topics

Higgs and Standard Model
Dark Matter and BSM
Flavor Physics
Particle Detectors

QCD, Heavy Ions and QGP
Neutrinos
Astroparticle physics
Cosmology

**Student scholarships
deadline August 31**
