19th International Conference on Hadron Spectroscopy and Structure in memoriam Simon Eidelman

Wednesday 28 July 2021

Exotic hadrons and candidates-4 - (09:00-10:45)

- Conveners: Prof. Lyu, Xiao-Rui

time	title	presenter
09:00	Study of charmonium-like states in two-photon collisions at Belle	TERAMOTO, Yoshiki
09:25	Vector charmonium(-like) studies at BESIII	SONG, Weimin
09:45	Cluster reducibility of multiquark operators and tetraquark-adequate QCD sum rules	MELIKHOV, Dmitri
10:05	Interpreting the LHCb Pentaquark States	SWANSON, Eric
10:25	Anatomy of the internal structures of the exotic hadrons in a quantitative manner	GUO, Zhi-Hui
