# 19th International Conference on Hadron Spectroscopy and Structure in memoriam Simon Eidelman

## Wednesday 28 July 2021

### Hadron decays, production and interactions-4 - (09:00-10:45)

- Conveners: Dr. Magalhaes, Patricia

time	title	presenter
09:00	Exclusive production of $f_1(1285)$ meson in proton-(anti)proton collisions	PIOTR, Lebedowicz
09:25	Production of $\chi_{c1}$ in $e^+e^-$ collision	LIU, Tong
09:45	Recent results of charmonium decays	LIAO, Guangrui
10:05	Charmonium(-like) state production in pp collisions at LHCb	XU, Li
10:25	Heavy Flavor production and polarization results from CMS	LEONTSINIS, Stefanos
