# 19th International Conference on Hadron Spectroscopy and Structure in memoriam Simon Eidelman

## Thursday 29 July 2021

### QCD and hadron structure-A6: MPS - (11:15-13:15)

- Conveners: Dr. Hentschinski, Martin

| time  | title   | presenter        |
|-------|---|------------------|
| 11:15 | Double parton scattering  | KASEMETS, Tomas  |
| 11:35 | Double parton scattering via photon-proton interactions: a new light on the transverse proton structure | RINALDI, Matteo  |
| 11:55 | Production mechanism of fully heavy tetraquarks in proton-proton collisions                             | SZCZUREK, Antoni |
| 12:15 | Light kaonic atoms high precision X-ray spectroscopy at the DAFNE collider: the SIDDHARTA-2 experiment  | MILIUCCI, Marco  |
