

Multi Higgs Model in 4D and 5D

Monday, 9 November 2009 16:30 (1:00)

Abstract content

Summary

I review possible schemes for solving the hierarchy problem, which would include a multi-Higgs sector, including composite Higgs scenarios as well as its dual 5d versions.

Presenter(s) : Dr. DIAZ-CRUZ, Lorenzo (FCFM-BUAP)

Session Classification : Physics Beyond the SM
