XIX Mexican Workshop on Particles and Fields, 2025

Wednesday 22 October 2025

Iniciativa para Mujeres en Altas eNergías - (15:00-16:00)

Iniciativa para Mujeres en Altas eNergías (IMAN) is a dedicated platform that brings together women leaders in Particles and Fields to foster meaningful connections, mentorship, and inspiration. Established with the support of the División of Particles and Fields -SMF. IMAN is created as a unique opportunity for women in the are to engage in discussions, share experiences, and expand their networks on a global scale.
