Whish you were here (The Higgs)

Thursday, 20 October 2011 11:30 (0:30)

Abstract content

In this talk I review the motivations for introducing fundamental scalars in particle physics, including the SM. Then I discuss the LHC bounds on the SM Higgs mass and its implications. How the Higgs search is modified in extensions of the SM with 3 Higgs doublets is also discussed.

Summary

Primary author(s) : Dr. DIAZ-CRUZ, Lorenzo (FCFM-BUAP)

Presenter(s) : Dr. DIAZ-CRUZ, Lorenzo (FCFM-BUAP)

Session Classification : Astroparticles, Cosmology, Strings and Beyond the Standard Model

Track Classification : Astroparticles, Cosmology, Strings and Beyond the Standard Model
